Dear Sir, Madam,

This application is regarding a full or part time position to work as a **Web Article Writer** in our growing internet company.

We own a number of successful websites and work as web traffic and marketing consultants and also sell a number of digital products in various online marketplaces.

Tim Buchalka has 25 years experience as a software programmer and Anthony Buchalka has 6 years experience in online marketing and has a degree in Education.

Your Job description

We have a large number of websites (both blogs and static websites) with new websites being built and added regularly.

You are required to write web content in the form of articles and other related web writing which including some copywriting.

The articles written will need to include specify keywords we supply. The articles will be in various niches so the topics will vary.

Our commitment to you

If you were successful in being offered a position, you would be joining an Australian company which is growing rapidly and who are providing long term employment for many people around the world.

We are a friendly and supportive company who value and support our online staff.

We pay all our staff each 2 weeks.

Your generous salary will be negotiated when we get the opportunity to discuss it with you.

Our requirements for our Web Article Writer positions include;

- Experience as per the "job description" above
- A university degree (preferred but not an absolute requirement).
- A very good working command of written English.
- Willingness and ability to learn new tasks.
- Motivation and a willingness to provide high a standard of work.
- Comfortable working on line on your own computer in your own location.
- Provide a daily email report of your work and be contactable on Skype.

WHAT DO DO NEXT?

If interested please do the following.

Contact us at our support desk by visiting the link below.

www.marketing-assassins.com

Open and lodge a ticket at our support desk using the "employment' category.

In the ticket at our support desk, please provide the following information.

Attach your CV or resume (either .pdf or .doc) and also submit a short letter expressing your interest in the position of **Web Article Writer** staff member and why you would like to work with us.

Please also attach a 600 word sample article you have researched and written on "dog barking".

Also, please include your Skype name if we decide to later contact you.

We look forward to hearing from you.

Best regards

Anthony Buchalka Tim Buchalka
